**GOVERLAND®**

Connecting daily life with rest in nature.

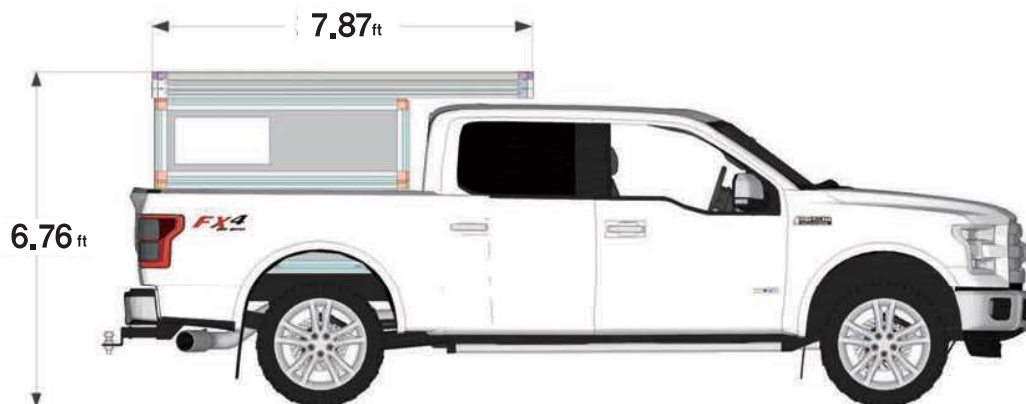

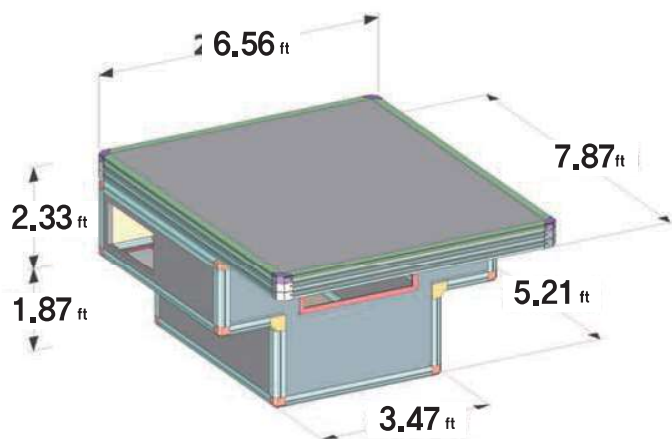

Designed and Built by an Architect and a Structural Engineer with a combined two decades of outdoor experience. Manufactured with high-quality, durable, and lightweight materials. Incorporates EZ Modular Expansion for room and shower addition. Introducing the unique “Z High-Top” Open/Closure Mechanism providing for greater vertical space and convenience while standing, sitting, or lounging in comfort. Lightweight Slim Side-Wall Design minimizes vehicle impact while driving whether open or off-road.
